

SMART WATER METERS ARE COMING

Eastside Utility will begin rolling out smart water meters this summer.

The implementation process will take approximately 14 months to complete.

Soon you will be able to:

Track and analyze your daily usage, receive potential leak alerts, and pay your bill from the **new customer portal**.

HOW DO I PREPARE?

Update Your Contact Information

Submit your phone number, email and service address to customerservice@eastsideutility.com

Follow Us
